Our Story

Built by parents, for parents. And the tiny humans they love most.

Tucked into a quiet corner of Greenfield Colony in Faridabad, Kidz Safari is a small, joyful preschool built around one simple idea: childhood should feel like childhood. We don't rush our little ones into worksheets and timetables. Instead, we give them stories, songs, mud, paint, wooden blocks, and the warm presence of teachers who truly see them.

Our home is bright, safe, and filled with the kind of toys that don't beep. Just the laughter does. For over fifteen years, we have been a second home to little learners. A place where curiosity is celebrated, kindness is taught, and childhood is protected.

The Waldorf Way

We follow the Waldorf holistic framework. An approach that believes every child is a whole person with a head, a heart, and a pair of busy little hands. All three deserve to be nurtured. That means rhythm, not rigidity. Imagination, not screens. Real materials. Real play. Real childhood.

What We Hold Dear

Warmth Every child is greeted by name. Every day.	Wonder Curiosity is the most important subject we teach.
Togetherness Kindness, sharing, and friendship. The early lessons that last a lifetime.	Growth Tiny steps. Giant leaps. At each child's own pace.

Our Curriculum

Rooted in Waldorf. Wrapped in wonder. Built around your child.

Less Worksheets. Lots of Wonder.

At our school, we swap rigid desks and paper drills for a world of hands on discovery and messy, joyful exploration. We believe that a child's natural curiosity is the best curriculum, which is why our days are filled with sensory play, outdoor adventures, and creative storytelling.

Instead of tracing lines, our students are building skyscrapers out of blocks and investigating the magic of the natural world. By prioritizing wonder over busywork, we nurture critical thinkers who aren't afraid to ask why and how. Here, learning isn't about finishing a page. It's about the spark of a new idea and the thrill of a shared discovery.

The Six Pillars

<p>Storytelling</p> <p>Daily story time with puppets, voice, and imagination. No screens.</p>	<p>Music & Movement</p> <p>Songs, rhymes, dance, and circle games that build language and joy.</p>	<p>Creative Arts</p> <p>Painting, modelling, drawing. With real beeswax, watercolour, and natural materials.</p>
<p>Nature Play</p> <p>Outdoor exploration, gardening, and weather watching every single day.</p>	<p>Practical Life</p> <p>Pouring, sweeping, baking, tidying. Small jobs that build big confidence.</p>	<p>Social & Emotional</p> <p>Naming feelings, taking turns, making friends. The most important learning of all.</p>

A MESSAGE FROM OUR PRINCIPAL

Hello, my dear little friend. You are loved exactly as you are. Be curious, ask the silly questions and the big ones, get a little muddy, and try the things that feel too hard. We'll be right here. You are braver than you think and kinder than you know. Tiny steps today. Giant leaps tomorrow. We believe in you. Always.
